Regular Schedule or On-Demand Service
We can serve you with our regularly scheduled deviated/fixed bus service or you can schedule individual service (on-demand) where and when you wish. See our schedule on-line at www.mustbus.org

Fully Equipped Buses
Our buses are fully equipped to accommodate wheel chairs or to assist in any special way you require. Our drivers are trained to handle special circumstances.

Not Comfortable Riding the Bus?
We can provide a "Travel Trainer" to help you "learn the ropes." The Travel Trainer will literally ride with you while you are becoming accustomed to using our bus system. They will take you step-by-step through the entire process, all at no extra charge.
